

Mortgage Arrears Resolution Process (MARP) Booklet

Important information for customers experiencing financial difficulties

THE MORTGAGE ARREARS RESOLUTION PROCESS (MARP)

We at Start Mortgages recognise the financial difficulties being experienced by borrowers. If you have fallen into arrears on your mortgage payments, or if you are concerned about falling into arrears in the future, we encourage you to contact us and maintain communications with our **Arrears Support Unit** on Lo Call **1850 818 000** or **(01) 209 6300**.

We are fully committed to working with you to try to find the most appropriate solution to the financial difficulties you are experiencing with repaying your mortgage.

As required under the Central Bank's Code of Conduct on Mortgage Arrears (CCMA), we have put in place a Mortgage Arrears Resolution Process (MARP) to help our borrowers who are in arrears or are at risk of going into arrears. This code applies to the mortgage loan of a borrower which is secured by his/her primary residence.

This booklet will guide you through the steps we will follow in trying to assist you during this difficult time.

The Mortgage Arrears Resolution Process involves the following 4 steps:

- **Step 1: Communication**

- **Step 2: Financial Information**

- **Step 3: Assessment**

- **Step 4: Resolution**

Step 1: Communication

Financial difficulties can affect anyone at any time. If you are concerned about your finances and the making of your next or future mortgage repayments, we encourage you to contact us as soon as possible.

The earlier we are given the opportunity by you to understand the financial difficulties you are experiencing, the sooner we can work together to find a solution where possible.

We have a dedicated professional team ready to talk to you and take you through the MARP process. Please contact our **Arrears Support Unit** on Lo Call **1850 818 000** or **(01) 209 6300**.

Start Mortgages can only work with you to help find a solution to your mortgage arrears if you keep in meaningful contact with us. Therefore, we would ask that you keep the lines of communication open by ensuring we always have up-to-date contact details for you, promptly returning our phone calls and responding to our correspondence and requests in a timely manner.

Start Mortgages Communications Policy governs that all communication between Start Mortgages and borrowers is appropriate, proportionate and not excessive. We commit to communicating promptly and clearly with you to establish the reasons for your financial difficulty, to assess your circumstances from the information given by you in your Standard Financial Statement (SFS) to ascertain what Alternative Repayment Arrangements (ARAs), if any, may be available to you and do so in an open and transparent manner. While we appreciate that such conversations can at times be difficult, we believe it is of paramount importance that we all communicate in an honest and real manner while working together to explore the possible ARAs available.

Failure to communicate and engage properly with us can have implications for the protections afforded to you by the MARP process. If you do not keep in contact with us or do not respond to any of our communications, we may classify you as 'Not Co-operating' and you will lose these protections.

A full explanation of the meaning of 'Not Co-operating' and the implications of being classified as this can be found in Appendix 1 on Pages 12 & 13 of this booklet. This is very important to read and understand.

Please Note: In addition to the on-going communications mentioned above, while your account is in arrears, you will receive letters from us from time to time outlining key arrears information on your mortgage account. These letters are a requirement of the Code of Conduct on Mortgage Arrears.

Step 2: Financial Information

We need to fully understand your current circumstances and key to this is the completion of an SFS. This is an industry wide document issued by the Central Bank of Ireland.

A copy of this SFS is available on our website www.start.ie along with a link to the Central Bank of Ireland's 'A Consumer Guide to Completing a Standard Financial Statement'. Alternatively we can send it to you in the post for your completion.

It is important that you complete the SFS form fully and accurately in a timely manner as we will use this to understand your financial circumstances. You may be asked to provide supporting documentation (such as payslips, utility bills and bank statements) in relation to the information supplied on your SFS.

You may wish to seek independent advice to assist with completing your SFS, e.g. from the Money Advice and Budgeting Service (MABS) or an appropriate alternative.

The contact details for MABS can be found in Appendix 2 on Page 15 of this booklet.

Where you require assistance or further clarification when completing the SFS you can contact our Arrears Support Unit on Lo Call **1850 818 000** or **(01) 209 6300**.

Failure to make a full and honest disclosure and/or failure to return any information requests within the timeframe specified by us can have implications for the protections afforded to you by the MARP process. If you do not comply with these requirements we may classify you as 'Not Co-operating' and you will lose these protections.

A full explanation of the meaning of 'Not Co-operating' and the implications of being classified as this can be found in Appendix 1 on Pages 12 & 13 of this booklet. This is very important to read and understand.

Step 3: Assessment

We will use the information you provide in your SFS to assess your financial situation. During the assessment process we will review each ARA to determine whether you meet our eligibility criteria and the ARA that is suitable and sustainable for you.

Consideration will be given to the following:

- Your personal circumstances;
- Your current income and expenditure and your ability to make sustainable monthly repayments to your mortgage;
- The past payment history on the mortgage;
- Any other borrowings and efforts made to reschedule these; and
- Your willingness to engage with us in an open and honest way and to provide the necessary paperwork to allow us to understand your situation.

When the SFS is completed in full and the assessment is done we will proceed to review the ARAs available to you.

Step 4: Resolution

Following the assessment of your financial situation we may be in a position to offer you an ARA which is appropriate to your circumstances and sustainable for the duration of the arrangement. These ARAs may be temporary or permanent in nature depending on your particular circumstances.

The ARAs that Start Mortgages has available for borrowers in financial difficulty are detailed below, however these are subject to regular review and may be changed at any time by Start Mortgages:

Temporary Alternative Repayment Arrangements

These types of ARAs are temporary in nature for situations when your financial difficulties may only be short-term and they allow you to resolve your financial situation with a view to resuming full contractual payments at the end of this period.

- **Interest Only**~ – You pay only the interest on your mortgage for a period. This reduces your repayments but you should note that you do not pay anything towards the capital part of your mortgage during this period.
- **Reduced Repayment**~ – You pay an amount less than your contractual monthly repayment amount for an agreed period. However, while your monthly payment will be smaller, it will not be enough to meet the full contractual amount due on your mortgage every month. As a result the arrears amount on your mortgage account will increase during the period of the arrangement.
- **Full Deferral** – You don't make any mortgage repayments for an agreed period. However, as you will not be paying the contractual amount due on your mortgage every month, the arrears amount on your mortgage account will increase during the period of the arrangement.

You should note that interest is charged on arrears at the rate of interest on your mortgage account in accordance with the terms and conditions of your original mortgage offer letter.

-If you do not keep to your agreed monthly repayment during the term of these particular ARAs, the ARA will be terminated and your case will be reviewed.

Permanent Alternative Repayment Arrangements

These types of ARAs are for the remaining term of your mortgage and are designed to make your mortgage repayments affordable and sustainable. Your monthly repayments will be recalculated on the current balance using the new terms of your ARA.

- **Rate Restructures[^]** – This arrangement means your current variable interest rate will be permanently reduced to a lower variable interest rate offered by Start Mortgages, the purpose of which is to reach a monthly repayment amount that is sustainable and one that you can afford to pay. This amount has to be of a repayment level and at an interest rate that is acceptable to Start Mortgages.
- **Term Extension[^]** – The term of your mortgage is extended where possible. This reduces the amount of your repayments by spreading your mortgage repayments over a longer period of time.
- **Capitalisation of Arrears[^]** – The arrears on your mortgage are capitalised thereby spreading the arrears owing over the remaining term of the mortgage. Capitalisations are considered on a case by case basis, where firstly your SFS must demonstrate affordability and secondly your repayments confirm this over a period of either 6 months for Capital and Interest mortgages or 12 months for Permanent Interest Only mortgages, in order to qualify.

These ARAs may be offered as a standalone arrangement or as a combination of all three to form one ARA depending on the circumstances and requirements to reach a sustainable solution.

[^]Start Mortgages will make a contribution towards the cost of you obtaining independent financial advice from the approved panel of accountants listed on www.keepingyourhome.ie in relation to these specific ARAs.

Alternative Solutions

If an assessment of your circumstances from the details provided by you in your SFS indicates that no sustainable ARAs are available, Start Mortgages will advise you of this and explain the next steps. The protections of MARP will no longer apply (*subject to your right to appeal; see Page 10*) however Start Mortgages will continue to work with you to review the possible alternative solutions that are available for you to consider.

Start Mortgages always regards repossession* as a last resort. With that in mind, where your mortgage repayments are unsustainable, you should immediately consider the following solutions.

These fall into two categories – those requiring input from a State body and those that do not.

The solution requiring State body input is:

- **Mortgage to Rent (MTR)⁵** – Under this scheme an Approved Housing Association (AHA) buys your home but you will remain in your home as a social housing tenant of the AHA. There are certain qualifying criteria set down by both the AHA and Start Mortgages that will determine your eligibility for this scheme. Please contact us if you wish to explore this scheme and we will explain the process in place for assessing your eligibility for Social Housing Support from your local authority.

Solutions not requiring State body input are:

- **Voluntary Sale⁵** – You may wish to voluntarily sell your property. We are available to discuss this process with you and would ask that you make contact with us should you wish to consider this solution.
- **Voluntary Surrender⁵** – You may wish to voluntarily surrender your property to us. We are available to discuss this process with you and would ask that you make contact with us should you wish to consider this solution.

**Repossession: If your mortgage is deemed to be unsustainable (i.e. we cannot offer you an ARA) you will be classified as outside the protections of MARP and we may (as per the CCMA) commence legal proceedings for repossession of your property 3 months from the date of the letter informing you of our decision or 8 months from the date the arrears first arose, whichever date is the later.*

⁵Start Mortgages will make a contribution towards the cost of you obtaining independent financial advice from the approved panel of accountants listed on www.keepingyourhome.ie and also towards the cost of obtaining independent legal advice in relation to these specific Alternative Solutions.

IMPORTANT POINTS TO NOTE

Case Assessment

You should note that the availability of all our Alternative Repayment Arrangements is subject to individual case assessment and the meeting of our qualifying criteria.

Cost of Credit

Some of the Temporary and Permanent ARAs may increase the total amount of repayments over the term of your mortgage.

Independent Advice

You need to fully understand the implications of any new loan arrangement before you formally accept it. Start Mortgages strongly recommends that you obtain independent legal and financial advice before agreeing to any resolution arrangement, in particular if you have any questions as to the legal or financial implications of the arrangement.

Confidentiality Agreements

We may require you to sign a settlement/confidentiality agreement as part of an ARA or Alternative Solution. We recommend that you take independent legal advice prior to entering into a settlement/confidentiality agreement.

Review Process

Once you remain within the MARP process, we will regularly monitor any ARA put in place. In addition we will carry out reviews (frequency as stated in your offer letter) to establish if there has been any change in your financial circumstances since the arrangement first began. However, a review will take place immediately if you do not keep to the terms of your arrangement.

Outstanding Debt

If, after completion of one of the listed ARAs or Alternative Solutions, a balance remains on your mortgage account you will remain liable for the outstanding debt, including any accrued interest, charges, legal, selling and other related costs.

What happens to your credit rating if your account is in arrears?

All members of the Irish Credit Bureau (ICB), including Start Mortgages, are obliged to report the status of all loan accounts to the ICB at the end of every month. Such reporting is carried out in accordance with ICB requirements (which may vary from time to time) on the basis of the consent provided by you or as required by law. Please note that the existence of an adverse payment profile on your account could impair your access to future credit from other institutions.

Mortgage Protection (Life Assurance)

We would recommend that you contact your Independent Financial Adviser/Intermediary to ensure that the life policy you may have in place to cover your mortgage loan is now sufficient to cover your existing loan balance, due to any arrears you may now owe.

Payment Protection Insurance

If you purchased payment protection insurance in relation to your mortgage, contact your relevant insurance company to enquire if you can make a claim on that policy in respect of the arrears.

Appeals

You have the right to submit an appeal to our MARP Appeals Board in relation to a decision made by our Arrears Support Unit, including the following:

- a) We offered you the option of an Alternative Repayment Arrangement which you subsequently declined;
- b) We did not offer you an Alternative Repayment Arrangement; or
- c) We classified you as 'Not Co-operating'

Your appeal must be submitted within **30** business days of the date of our letter that notifies you of any of the above decisions.

You can use the '*Start Mortgages MARP Appeal Request Form*' when submitting your appeal. Please ensure when completing this form that you set out the grounds for making the appeal. A link to our Appeal Request Form can be downloaded from our website www.start.ie (refer to the 'Appeals Process' tab). However if you would like to receive a copy of this form in the post please call our Customer Services Department on Lo Call **1850 818 000** or **(01) 209 6300**.

Once completed, this must be sent to:

MARP Appeals Board
*Start Mortgages, Trimleston House,
Beech Hill Office Campus, Clonskeagh, Dublin 4.*

We will acknowledge your appeal within 5 business days of receipt. We aim to complete our investigation and provide a response within 20 business days after we receive your Appeal Request. However, if we are unable to respond within the 20 business days, we will write to you to let you know when you can expect to receive our response.

Should our investigation extend beyond the period of 20 business days we are required to reach a decision within 40 business days. We will write to you within 5 business days of the date of our decision.

Should you remain dissatisfied with the outcome of your appeal, it is your right to refer your appeal to the Financial Services Ombudsman Bureau whose contact details can be found in **Appendix 2 on Page 14** of this booklet.

If you are unhappy with our treatment of your case under the Code of Conduct on Mortgage Arrears (CCMA) or do not believe we have complied with the requirements of this code, please note that you have the right to make a complaint. You can call or write to our Customer Services Department using the details given in Appendix 3 on Page 16 of this booklet.
